

Imagine This World:

**No More
Natural Therapies
or High Quality
Supplements**

**Mandated
Genetically
Engineered Food**

**Pervasive Use
of Chemical
Pesticides
Worldwide**

Driven by big money and the desire to control, many international corporations and world governments—INCLUDING OUR OWN—are aggressively orchestrating this reality for all of us. Their efforts gain power from our silence.

**We must act now to
preserve our health freedom!**

Learn more about what's at risk, and what you can do.

Join the internationally respected leaders in this cause,
RIMA LAIBOW, MD, and Major General ALBERT STUBBLEBINE
founders of Natural Solutions Foundation
for an afternoon of:

Factual Information • Q&A • Action-Oriented Discussion

SATURDAY, JULY 14, 2007 1:00—5:00 PM

Haynes Conference Center, A-B Tech, Enka Campus
1459 Sand Hill Road, Candler

To RSVP, and for directions and more information, visit
www.satolah.com

**Proposed federal legislation
now threatens our freedom to choose.**

**Choose to preserve your health freedom.
Choose to be part of the solution.**
