

AWAKEN SLEEPING GIANT

HEALTH FREEDOM INFORMATION EVENT

With Rima E. Laibow, MD, and General Stubblebine

The Health Freedom Battle and the Necessary Mass Awakening,
Fresh from the Latest Codex Alimentarius Meeting

"784,000 people die per year by modern medicine," according to Carolyn Dean, N.D.

To control *all nutrition*, Codex and the drug profiteers who own the FDA have now activated the **CRIMINALIZATION OF:**

ORGANIC FOOD LIVE FOOD HERBS MINERALS
NON-CHLORINATED WATER FOOD GARDENS
NUTRITIONAL CONCENTRATES
COMMUNITY-SUPPORTED AGRICULTURE

This is **ALREADY LAW**. *Will we let it be enforced?*

Dr. Laibow has practiced drug-free, natural medicine for 35 years. She graduated from Albert Einstein College of Medicine in 1970 and has since made it her goal to keep non-toxic health options available. She has come to realize Codex Alimentarius possesses a threat to our freedom to health and life. In 2005, she, with her husband, Major General Albert Stubblebine, closed her medical practice and devoted all their time to repealing attacks on health freedoms.

"A nutritionally manipulated populace is a mentally depleted and controllable herd. We become members of the Culture of Death by our own consent. Standing for the human divine right to nutrition from the Living Planet is the emergence and needed power of the Culture of Life."

—Gabriel Cousens, MD, MD(H), Director of the Tree of Life in Patagonia, AZ

Event organized independently from all election campaigns. The Health Freedom Bill by Rep. Ron Paul may be represented for information.
